Office, Chief of Engineers, Washington 25, D. C. 24 July 1947

TO: Joint Intelligence Study Publishing Board, Bldg Tempo L, Rm 2402  
(ATTENTION: Mr. L. O. Quam, Director)

1. This office concurs in the non-availability of funds for Fiscal Year 1948 from ESA Project 440 for names work in the JANIS program. This is in full accord with mutual understanding arrived at at a meeting of 17 January 1947 between Colonel Milwit, Chief, Military Intelligence Division, this office, and Director, JISPB.

2. However, in view of the impending shift of the JANIS-type studies to Central Intelligence Group, it is recognized that conferences may be necessary to work out a solution to the budgetary problems involved.
